RECENT SIGNIFICANT DECISIONS

235 Alexandra Parade – Use of building as an Hotel. Application 11/01780/DC Granted subject to conditions

The conditions are principally those set out previously for 2 Craigpark in a similar application which resulted in its withdrawal from Planning. It principally relates to the use of the property as a bona fide tourist hotel with membership of the Scottish Tourist Board etc and some other issues relating to parking.

It is worth noting that in Jan 11 during various correspondence between applicant and the city Council it is stated that the premises will be dry ie no alcohol to be sold.
