Prizes will be awarded by Paul Martin MSP.

In the week between September 20th and 27th children from the four primary schools in the Dennistoun area searched the windows of participating shops to locate the hidden letters. A boy and a girl from each of the primary schools will be presented with a £25 book token for handing in a completely correct entry form.

Press are welcome, but this event will be closed to the general public.

7pm Dennistoun Community Council A.G.M.

As required by constitution, all Dennistoun Community Council office bearers will step down and new officer bearers will be elected by the 15 eligible members. There will also be the adoption of an updated constitution, Chairman and Treasurer's report.

Press and public welcome, and refreshments provided.

7.30pm Public Meeting

The Community Council is required to hold an annual public meeting, and this year bus services are the topic under discussion. Local elected officials have been invited, as has a representative from First Bus, to hear any concerns people in Dennistoun have regarding the bus service in the area.

Press and public welcome.
