	ACTION
1 Welcome / Introductions / Attendance / Apologies Per the above.	
2 Dennistoun Area Partnership <ul style="list-style-type: none">- Representation of non-CC organisations on the AP is sought. Deadline 17th April.- Only 1 out of a possible 4 CCs has representation on the AP, due to inactive Ccs.- Citizens Panels have been mooted as a possible solution, but the details on this are unclear.- The possibility exists of suggested items being added to the AP agenda, if requested through a Cllr. Might be worth attempting to resolve the uncertainty regarding the uncertain status of various schemes with overlapping aims: Restricted Parking (and 20 mph?) Zone / TRO to formalise the 'Neighbourhood Interventions' (one ways + areas outside schools) / 'Streets for People' proposals consultation (following on from the Liveable Neighbourhoods reports) / implementation of Pavement Parking ban.	
3 Social Media <ul style="list-style-type: none">- A meeting with the Glasgow Life neighbourhood officer would be a good opportunity for promotion.- 'Dennistoun in Bloom' also mentioned as a project with promotion opportunities. Dennistoun Diggers may be interested.- Consultations could be better promoted.- VT, LC, TD to discuss.	VT/LC/TD
4 Parks and Open Spaces Fund <ul style="list-style-type: none">- Update circulated by RJ.- Japanese Knotweed and Ash Dieback are concerns on various local greenspace sites.	
5 Neighbourhood Infrastructure Improvement Fund Options <ul style="list-style-type: none">- Accessibility/step-free access/pedestrian improvements seen as desirable. E.g. Railway stations, Ark Lane (Broompark to Duke Street), Firpark Street.- Suggestion of request for new pedestrian crossings. WW + IS to start with identification of locations and seeking advocacy/support respectively.	WW/IS
6 Any Other Business <ul style="list-style-type: none">- Noticeboards have gone AWOL. TBC.- Instances of tyre slashing on Onslow Drive noted.- Potential introduction of separate recycling bins noted.- Moves have been put in place to remove cast iron electricity cabinets (for reasons unknown), but local interest in retention has seemingly halted this (for the time being).	VT
