

COMMUNITY CONSULTATION EVENT

Date: Thursday 16th February

Time: 4pm-8pm (drop in any time, tea and coffee available)

Place: Keystone Housing Association, City Park Building, Alexandra Parade

Onslow Square, Dennistoun

The highlighted greenspace on Onslow Square suffers from extensive dog-fouling and littering which has resulted in the site deteriorating to a condition that has an adverse effect on the environmental standard of the whole community.

Following feedback from Clean Glasgow Neighbourhood Improvement Volunteers involved in local clean up events, a proposal to enhance the site came about in summer 2011.

The land is owned by the Glasgow Housing Association (GHA), and they have been working in partnership with Glasgow Community and Safety Services (GCSS) and local community groups to take forward the plan to regenerate the site.

The GHA have funding available in order to transform the site from its current neglected condition into a usable and attractive greenspace, free of litter and dog-fouling for the whole community to enjoy.

For more information about the consultation event please contact Thomas Paterson, Development Officer (East Locality), Environmental Community Action Team, GCSS
